Educating for the Environment

— ideas, problems, solutions and resources to restore our world —

Planning is underway for another exciting day of networking, learning, and sharing for NW Washington environmental educators. We especially welcome classroom teachers to join us. Learn about resources for your classroom, discover brand new or time-tested programs, and meet the many informal educators in your community.

Come to Maple Hall on January 26 prepared to be challenged, informed, stimulated and fed. (Lunch is free!) Meet with old and new friends and hear from the movers and shakers of Environmental Education in the North Sound.

Lunch - Lunch is provided, with local, wholesome, mostly organic food.

Teachers - We have have money for substitute teacher reimbursement. See application on back, or contact Adam Lorio for more information. alorio@samishtribe.nsn.us, (360) 770-4880 (Applications are due Dec. 2)

Registration Details: Registration opens December 9. Cost: \$10. For more information contact: Susan Wood: swood@padillabay.gov (360) 428-1066 or check Storming the Sound's website at www.padillabay.gov/storming.
