- Sound Experience,
- Surfrider Foundation,
- The Whale Museum,
- Whatcom Parks and Recreation Foundation/Tennant Lake Interpretive Center,
- WSU Beachwatchers: Skagit County,
- Wolf Hollow Wildlife Rehabilitation Center,
- Yes! Magazine

Educating for the Environment

— ideas, problems, solutions and resources to restore our world —

This year's gathering will feature a wide variety of planned sessions organized by leaders of our region's environmental education community. Choose from topics like climate change, working with interns, swapping songs, and support for high school environmental clubs. Hear inspiring speakers and see what exciting things are happening in the North Sound area.

Come to Maple Hall on January 29 prepared to be challenged, informed, stimulated and fed. (Lunch is free!) Meet with old and new friends and hear from the movers and shakers of environmental education in the North Sound.

Lunch - Lunch is provided, with local, wholesome, mostly organic food.

Teachers - We have money for substitute teacher reimbursement. See back for details.

Registration Details: Workshop is free, but we are requesting a \$10 donation. To register, or for more information, contact:

Susan Wood: swood@padillabay.gov, (360) 428-1066, or check out Storming the Sound's website at www.padillabay.gov
