Educating for the Environment

— ideas, problems, solutions and resources to restore our world —

This year's gathering will feature a wide variety of sessions organized by leaders of our region's environmental education community. Chose from topics like climate change, working with interns, swapping songs, and support for high school environmental clubs. Hear inspiring speakers and see what exciting things are happening in the North Sound area.

Come to Maple Hall on January 26 prepared to be challenged, informed, stimulated and fed. (Lunch is included!) Meet with old and new friends and hear from the movers and shakers of environmental education in the North Sound.

Lunch - Lunch is provided, with local, wholesome, mostly organic food.

Teachers - Free clock hours - plus we have have money for substitute teacher reimbursement. See application on back or contact Adam (see back) for more information.

Registration Details: Workshop fee is \$10. (Waiver available for special needs.) Online registration will open December 1.
